About Us

Wet pet food manufacturing for global brands and distributors

LINYI SHENGHENG PET PRODUCTS CO.,LTD supplies wet cat food and treats for overseas brands, importers and distributors. Our range covers canned cat food, cat food pouches, paté, cat meal, creamy treats and steamed single-ingredient treats. Products are made in clean production workshops with retort sterilization, automated filling and packaging lines, and an in-house laboratory. Formulas, flavors, pack sizes and private-label packaging can all be customized.

Quality Control & Laboratory

Guaranteed analysis values are verified in-house

The laboratory is equipped for moisture and ash determination, instrument analysis and microbiological culture, supporting the guaranteed analysis items listed in this catalog (crude protein, crude fat, crude fiber, crude ash and moisture). Workshops are separated by hygienic corridors with controlled access.
